

安康院區教學模型明細

No.	模型名稱/數量	照片
1	半身安妮/2 具	 Two blue training models for Little Anne are shown. The model on the left is labeled '教學區 半身安妮 No. 10' and the model on the right is labeled '教學區 半身安妮 No. 15'. Both models feature the 'Little Anne' logo and the 'Laerdal' brand name with the tagline 'helping care live'.
2	靜脈手臂/1 具	 A venous arm model is shown in a black carrying case. The model is a realistic human arm with a glass of dark red liquid (representing blood) placed in the forearm. It has several medical sensors and wires attached to it.
3	Port-A/1 具	 A Port-A training model is shown. It is a white, realistic human torso model with a chest. It has several medical sensors and wires attached to it, including a central venous catheter (CVC) and a peripheral intravenous catheter (PIV). The model is sitting on a white base with the '3M' logo.
